Coyote Bar and Grill has opened a new branch on Sukhumvit Road at Sukhumvit Soi 33 with the same lively Mexican atmosphere as its sister outlet, Coyote on Convent. Coyote on Sukhumvit uses the same hot sauces imported from the USA and Mexico to enhance its burritos, quesadillas and fajitas. Coyote is always a fun place to visit, but it is with the margaritas where the fun really begins. But be careful, as easy as they are to drink, these are serious cocktails and not for the fainted hearted. Have a Margarita Party!
